

A black and white photograph of a field of pumpkins, likely in a state park, serving as the background for the text.

As autumn nears, Missouri state parks and state historic sites are the place to be for cookouts, story telling and fall foliage. Upcoming events in state parks and state historic sites across Missouri will provide families an opportunity to learn more about nocturnal animals, explore a cave by flashlight, take candlelit tours of cemeteries, listen to kid-friendly ghost stories and enjoy s'mores. To find out about activities near you, visit www.mostateparks.com.
